

ALL-AMERICAN INTELLIGENT SOLUTIONS, INC. ANNOUNCES EXCITING OFFICE AND WAREHOUSE RELOCATION

09 FEBRUARY 2024

BALTIMORE, MARYLAND – All-American Intelligent Solutions, Inc., a leading provider of commercial interior services, is excited to announce its upcoming relocation to a larger and more expansive facility in Anne Arundel County. This strategic decision is driven by the company’s commitment to enhancing client service and accommodating its burgeoning operational needs. The 25,000 square foot space was secured after an exhaustive search of the post-pandemic flex space landscape yielded challenging results and was successfully brokered by Alex Simone of Gold and Company.

As part of the celebration surrounding this pivotal move, All-American Intelligent Solutions, Inc. extends a warm invitation to clients, partners and the local community to a special Ribbon Cutting Ceremony scheduled for April 2024. Attendees will have the opportunity to witness the unveiling of the new facility, network with industry professionals and gain insights into All-American’s commitment to excellence in commercial interior installation.

The company remains steadfast in its dedication to delivering superior service without interruption and affirms it will maintain its full operational functionality throughout the transition. Follow All-American Intelligent Solutions, Inc. on Facebook, Instagram, Twitter and LinkedIn for updates.
