CAFE					College Chats	

<b>Answers to Big Questions</b>	A workshop about Christian apologetics, perspectives, and philosophies, led by Todd Postlethwaite, a member of the HopefulSon worship team.
<b>Being Christian &amp; Same Sex Attracted</b>	This workshop, led by Scott Neufeld of Journey Canada, will look at how same-sex attraction is viewed in the church and in our culture today. Personal stories will be shared about being Christian, same-sex attracted, and desiring to follow the traditional Christian sexual ethic in wholeness and integrity.
<b>Christians &amp; Gaming</b>	In this workshop we will ask questions like; where does gaming fit into the life of a Christ Follower? How does morality fit in with gaming? Does the mission of Christ fit into the world of gamers? Led by Everett Budd.
<b>Evangelism</b>	Join Danny Johnston and learn some practical ways that you can talk to others about your faith in Jesus Christ.
<b>Finding Freedom From Porn &amp; Addiction</b>	This workshop, led by Scott Neufeld of Journey Canada, will look at the roots and cycles of addiction as well as a personal story of breaking free from addiction and living as a wholehearted Christian.
<b>Hearing God</b>	How does God speak to us, and how are we supposed to hear Him? The Bible gives us a lot of examples of how God has spoken to His people in the past. In this workshop we will examine these stories and how they apply to us today. Led by Michael Siggelkow.
<b>Made In God's Image (Leaders Only)</b>	A workshop for leaders led by Scott Neufeld of Journey Canada. This workshop will provide an overview of the traditional Christian sexual ethic and at the disintegration of sex in our modern culture. Personal stories will be shared as well as a vision for how to move forward as Christians in our shifting culture.
<b>The Most Important Things You Can Do As A Leader (Leaders Only)</b>	A workshop for leaders led by Caleb Barkman.
<b>Why Christian Comedy</b>	Get to know the Slap Happy Team and what brought them to the place of performing clean comedy that points to Christ. This workshop will also let you try out some improv comedy for yourself, and includes a Q&A time!
<b>Why I Do What I Don't Want To</b>	In this workshop we will talk how we can break free from self-destructive behaviors by learning about the power of emotions and how they dictate and control our behavior (such as self injury, eating disorders, anger, and more), understanding and recognizing emotional triggers, identifying our own self-protection behaviors, and discovering we can be free.
<b>Canvas Painting</b>	Acrylic Painting Workshop. Have fun creating a work of art step by step with Shanda. We will work through the steps of building a painting of nature from background to subject.
