Play all day in the Nike Club Skirt. Every detail, from the placement of the pockets to the length of the inner shorts, was obsessed until we got it right. Coupled with lightweight, stretchy fabric that's subtly textured, this is your new go-to skirt for any occasion. This product is made with at least 75% recycled polyester fibers. Streamlined Fit The inner shorts have flat seams that feel smooth against your skin. The absence of a front seam helps keep them from riding up and creates a clean look. A low-profile pocket on the right side of the shorts is angled slightly forward so it's easy to access your essentials. Made to Move Lightweight woven fabric stretches with your body. The fabric is made with at least 75% recycled polyester fibers. Pleats give you extra room to move and let the skirt flow and flare as you bend and stretch. Nike Dri-FIT technology moves sweat away from your skin for quicker evaporation, helping you stay dry and comfortable. Thoughtfully Designed The waistband is designed to follow the natural contours of your body so the fabric won't pinch or pull your skin when you move. Inner shorts help you stay covered while you play. Breathable, rectangular gusset gives you extra room to move.

Nike Victory Tour 4

FZ4155
Size: 3.5-16 RETAIL:\$200.00

At its simplest, golf comes down to two things: walking and swinging. The Victory Tour 4 answers the bell to both, adding our Nike-only Flyplate technology to our timeless, premium-crafted shoe. The carbon fiber plate is designed to flex when you walk. It's stiff when swinging, so you can stroll in comfort and rip away from wherever your ball lands.

- Our Nike-only Flyplate technology is flexible horizontally (soft for walking) and stiff vertically (for swinging).
- Inspired by a seat-belt harness, our internal Dynamic Fit system gives you support right where you need it. The Cushlon foam midsole provides the right level of comfort and stability.
- The upper is made of soft, supple full-grain leather with a slightly pebbled texture.
- Listening to our athletes' feedback, we came up with a new frame for a better fit and shape compared to the Victory Tour 3. The internal foam collar offers sneaker-like comfort.
- A two-pod outsole comes with a nine-spike traction pattern, giving you optimal grip when the weather gets dicey.

Nike Infinity Tour 2 GORE-TEX

FV4897
Size: 7-14 RETAIL:\$210.00

The Infinity Tour 2 ups the ante from the previous iteration with more spikes, updated foam and a flattened Air Zoom unit. It's all in the name of swaggering strolls toward the pin as you point to where your ball just landed. With plenty of bounce and comfort, it's game for wherever your next round takes you. This version has a waterproof GORE-TEX upper to help keep water out so your feet stay dry on the course.

- We added two more integrated spikes in the forefoot, bringing the total to six for great grip. We placed the spikes under the Air Zoom unit to provide better energy return and added comfort throughout your round.
- The Air Zoom unit is lower to the ground, offering you better stability without sacrificing responsiveness when marching from hole to hole.
- The updated midsole foam offers a different level of stability for a more consistent underfoot feel, helping keep you level when swinging for the green or walking down the middle of the fairway.
- We upgraded the internal fit pods in the heel for comfort and security.
- Padded collar adds comfort.
