

COVID-19 PANDEMIC NOTICE AND ACKNOWLEDGMENT OF RISK FORM

Our goal is to provide a safe environment for participants and staff to participate and enjoy our program.

This document provides information we ask you to acknowledge and understand with regards to the COVID-19 Pandemic.

The COVID-19 virus is a serious and highly contagious disease. The World Health Organization (WHO) has classified the current situation as a pandemic. You could contract COVID-19 from a variety of sources. Our organization wants to ensure that you are aware of the additional risks of contracting COVID-19 associated with participation in this program.

The COVID-19 virus has a long incubation period. As parents or guardians, you may have the virus, your children and fellow participants may have the virus without symptoms and yet still be highly contagious. Determining who is infected by COVID-19 is challenging. There may be an elevated risk of contracting the virus simply by being a participant in a sports camp.

I confirm that I have read the notice above and understand and accept that there is an increased risk of contracting the COVID-19 virus while participating in this sports camp. I further confirm that I am not infected with the virus to my knowledge. I understand and accept the additional risk of contracting the COVID-19 during participation. I also acknowledge that I could contract the virus outside of this camp and unrelated to my participation.

I have read and understand the information stated above:

Parent/Guardian signature

Participant names

Witness signature
