- 397g can Carnation Condensed Milk
- 150ml milk
- 450g Demerara sugar
- 115g butter
- 20cm square tin lined with baking parchment

Method

1. Place the ingredients into a large non-stick saucepan and melt over a low heat, stirring until the sugar dissolves
 2. Bring to the boil then simmer for 10-15 minutes, stirring continuously and scraping the base of the pan. Take care while the mixture boils and during stirring as the fudge will be VERY hot! To see if it's ready, drop a little of the mixture into a jug of ice-cold water. A soft ball of fudge should form. Alternatively, check with a sugar thermometer if you have one (the fudge should be approximately 118°C).

-

Ingredients

For the shortcrust pastry

- 200g/7oz plain flour, sifted
- 100g/3½oz butter, chilled and cubed
- 1 pinch salt
- 1 medium free-range egg, beaten

For the filling

- 1 tbsp olive oil
- 175g/6oz streaky bacon, cut into 1cm/½in lardons
- 100g/3½oz onions, peeled and chopped
- 4 free-range eggs, 2 whole, 2 yolks
- 250ml/9fl oz double cream
- 1 tbsp chopped fresh parsley
- 1 tbsp chopped fresh chives
- 50g/1¾oz cheddar cheese, grated
- 50g/1¾oz gruyère cheese, grated
- salt and freshly ground black pepper

Method

1. For the shortcrust pastry, put the flour, butter and a pinch of salt in a food processor and process briefly.
2. Add half of the beaten egg and continue to process. (You might add a little more egg, but not too much as the mixture should be just moist enough to come together.) If making the pastry by hand, rub the butter into the flour until it resembles coarse breadcrumbs then, using your hands, add just enough egg to bring it together.
3. With your hands, flatten out the ball of dough until it is about 2cm/¾in thick, then wrap it in cling film or place it in a plastic bag and leave in the fridge for at least 30 minutes or, if you are pushed for time, in the freezer for 10–15 minutes, before using.
4. Preheat the oven to 180C/160C Fan/Gas 4.
5. Line a 19cm/7½in high-sided tart tin with the shortcrust pastry and cover the base with baking parchment. Fill the tin with baking beans and bake blind for 10-15 minutes. Remove the beans and parchment for the last five minutes of baking for a golden-brown crust.
6. For the filling, heat the oil in a frying pan and cook the bacon for 5-6 minutes, or until crisp. Remove and drain on kitchen paper. Fry the onions gently in the same oil for a further ten minutes, or until softened.
7. Meanwhile, whisk the two whole eggs and two egg yolks in a medium-sized bowl. Add the cream, herbs, cheeses and bacon and onions. Mix well and season with salt and freshly ground black pepper.
8. Pour the filling into the pastry base and return to the oven to bake for 30–40 minutes, or until the centre has set.
