

# Questions to Ask at an IEP Meeting

---

These questions can help parents better understand services, supports, and goals during an IEP meeting.

## Academic Support Questions

- How is my child currently performing academically?
- What specific interventions are being used?
- How will progress toward goals be measured?
- What areas need the most support?
- How often will updates be provided to parents?

## Behavior & Emotional Support Questions

- What behavioral supports are currently in place?
- How are meltdowns or emotional challenges addressed?
- Is a Functional Behavior Assessment needed?
- What sensory accommodations can be added?

## Services & Accommodations Questions

- What accommodations are recommended?
- How much therapy time will my child receive?
- How are accommodations implemented in the classroom?
- Can supports be adjusted if concerns arise?

## Transition & Communication Questions

- How will communication between home and school occur?
- What are the next steps after this meeting?
- When will the IEP be reviewed again?
- Who should I contact with concerns?
