ABOUT

Century Dynamics offers a wide selection of quality firearms for hunters and recreational shooters alike. Many of our products offer multiple functions and save the consumer time and money when looking for a new firearm. In this industry, finding a company that can provide valuable products at a fraction of the price of competitors is not easy. Century Dynamics does not stop there. We have a dedicated customer service department that will ensure you are happy with your Century Dynamics firearm for many years to come.

Century Dynamics Arms provides a wide selection of firearms, each bearing exceptional quality and reliability. Our top management team has many years' experience traveling around the world to bring the best possible price to our consumers. We work very closely with our factories to ensure excellence. When this is combined with dedicated customer service.

We offer a variety of quality firearms for home defense, hunting, sport shooting, and enthusiasts. AR rifles, Bullpup shotguns, AR Style shotguns, Semi-Automatic, Over/Under, & Pump Action with mag fed & short stock shotguns. Our firearms are perfect for Self-defense, Law enforcement, and Hunting. Whether made here in the heart of Fort Worth, TX or imported, our firearms are made using some of the finest materials from around the world. Turkish walnut wood stocks, 7075-T6 aluminum Cerakoted constructions, and Full steel 4140 parts, & high tolerance polymer lowers. Our firearms are made to last and to provide ultimate reliability & durability.
