**SILL SECTION**

# CBP Model NTW

Bullet Resistant Narrow Profile Transaction Window

UL 752 Listed and Labeled Levels 1-4, & 6  
(A label bearing certification is affixed to the protected side of the frame)

Note: CBP Model NTW features a voice panel sill and rubber spacers to create an acoustically balanced natural voice transmission system. Sealants or glazing compounds are not to be used to close gaps between the bullet resistant glazing product and the framing assembly, this will inhibit the natural voice transmission capability.

**OPTIONAL MORTISE SILL SECTION**

**OPTIONAL 6-1/2" STAINLESS STEEL WRITING LEDGE SECTION**

-Extends the full width of the sill

-Available on either or both sides of window
