President's Corner

Joseph Cuccio

April is here and with it the new Board of Directors as elected on March 18th 2021. We had 2 openings and 4 candidates running to fill them. Unfortunately, Jim Perretto passed away on February 8th 2021, which left 3 candidates running for the 2 open positions. Jim was a good friend and a great Board member. His event planning skills were obvious to all and even through the pandemic we still managed a Veterans Day picnic. I will miss him greatly not only on the Board but as a longtime friend. The memorial page in the March Newsletter was a nice tribute to him not only as a friend, husband, father, grandfather, soldier, police officer, detective and a person who would go out of his way to help anyone in need. The Board wishes to express our deepest sympathy and heartfelt condolence to his widow Rosina. Rest in Peace my friend.

I am writing this on March 7th 2021 so I do not have the election results since the meeting is March 18th 2021. I want to welcome our 2 new Board members and wish them well in being on the Board for the next 2 years. This is the first time in a long time that anyone has stepped up to run. Being a Board member means giving up some of your free time to serve the community. I remember reading that the most precious gift one can give is TIME as it can never be replaced.

I think by now everyone has seen the new Traffic light at our entrance. It is really impressive at night since the whole area is lit up like daylight. The past Boards and the current Board

worked very hard to get this light in place. Our focus and goal was to avoid any further fatalities at this intersection. PLEASE exercise caution and be sure the traffic has stopped before pulling out. I personally witnessed a vehicle run the red light and pull out into the oncoming traffic. The law is a complete stop before proceeding to turn right on RED. I have had a few discussions with residents about asking for a NO TURN ON RED sign. I truly don't believe this would help as you can't control someone who doesn't care about their own safety let alone yours.

I hope as many of you as possible will have shown up at the March Meeting to cast your votes and support the Board Members who you elected. Just to clarify how the process works I will give you an outline. The membership elects new Board members who in turn appoint the new President, Treasurer, Secretary, 1st VP., 2nd VP., 3rd VP., as well as Directors to the various positions. When you vote for a Board member you are choosing someone to act on your behalf and make decisions with regard to association business. Please remember to respect each Board Member as they serve without compensation.

This is your community so get involved and attend a Board meeting so you can get the correct answer to your question. Don't complain about things and do nothing to resolve your issues but complain. Attend a meeting, be respectful, and get the answers you want and deserve from the Board.

From The Editor's Desk

Barbara Dohm

I finally put Carl to rest in Bushnell Veteran's Association Cemetery. It was very hard for me because we were married for 64 years. He passed away on January 14th, and here it is April and you can imagine how much I really miss him.

Carl served in the Korean War as a WeatherMan. We moved here in 1986 after he taught History for 25 years in the West Milford, New Jersey School System. He was also a NJEA Negotiator for teacher's salaries.

He loved to play golf and go bowling. He taught a computer class here at The Heather and was also on The Board of Directors. May he rest in peace.

It has been a couple of hard months for me. It would have been a lot harder for me, but thank goodness for Jim Perretta (Lord bless his soul) as he helped me through a lot before his passing.

I hope the new Board members take the state classes within ninety days of their election or they will have to be replaced as per the state rules.

Good luck to all of you, I will miss being on the Board as I came on in 1989 and served on and off over many years. I held every job including President! I have watched our office staff come and go over time, and now we have our wonderful Ruthie.

See you around, and I will still be here in the Heather News.

My Very Best Regards to All!
