

# ***Why Palestine Matters, The Struggle to End Colonialism***

## **GROUND RULES FOR THE COURSE**

- Our model is collaborative learning with facilitation; we are all “experts.”
- Encourage respectful engagement with each other. Let’s make this is a safe space to express and explore ideas, feelings, and diverse opinions.
- To maximize participation: Take space, make space.
- The content of class discussions may be shared. However, please maintain confidentiality regarding attribution of who said what.
- Rather than focusing on covering all the material, class will be structured to allow time to process information and responses to the assigned reading.
- Please bring your book to each class. Assigned reading will provide the basis for class discussion. If you haven’t done the reading, please refrain from participating in the discussion.
