

# WHY PALESTINE MATTERS THE STRUGGLE TO END COLONIALISM

**W**hy *Palestine Matters, The Struggle To End Colonialism*, contextualizes the liberation struggle of the Palestinian people within other global justice struggles. With a **foreword by Richard Falk**, former UN Special Rapporteur of Human Rights in the Palestinian Territories, the book is grounded in international law and brings Palestine into focus through a lens of intersectionality, calling all those who struggle for justice against oppression to consider the challenge of seeing Palestinians in the context of other justice struggles. *Why Palestine Matters* demonstrates that the project of human emancipation is not limited to Palestine, but it also cannot proceed without Palestine.

*Why Palestine Matters* is a 108-page, full-color publication with visuals on every page, a discussion guide, and maps. A companion website features enhanced resources for study, including video clips and discussion tools.

“...[This] wake-up call alerts us to the reality that Palestinians are real people who have real human needs and real political legitimacy, who live under an oppressive system of colonial occupying exploitation. This important book summons us to a new awareness that carries with it a mandate to policies and actions that bespeak compassion and embody restorative justice.”

—Walter Brueggemann, Columbia Theological Seminary

“Because any serious understanding of Israel/Palestine, past or present, must be grounded in an honest framing, *Why Palestine Matters* provides us with a significant contribution, challenging the traditional Zionist narrative of a national movement for Jewish self-determination with the facts of settler colonialism.”

—Alice Rothchild, Physician, Author, Filmmaker

“*Why Palestine Matters* is a powerful articulation of the Palestine solidarity narrative, as expressed by some of the finest writers on the subject,...it offers a roadmap for global solidarity based on the values of intersectionality, which rightly views all human struggles for liberation and rights as essentially intertwined.”

—Ramzy Baroud, Editor, *Palestine Chronicle*
