

EARTH MOVER

INTRODUCING THE GOODYEAR® RM-4B+

GOODYEAR'S NEWEST HAULAGE TIRE FOR SEVERE OPERATING CONDITIONS

The new Goodyear RM-4B+ tire leverages years of innovation to bring you extreme ruggedness and versatility that can help reduce your operating costs. The RM-4B+ is part of Goodyear's diverse Large Haulage lineup, which also includes the RM-3A, RM-4A+ and RT-4A+ to offer the right tire for every vehicle in your fleet.

GOODYEAR® LARGE HAULAGE TIRES

RM-4B+

THE RM-4B+ IS OPTIMIZED TO OFFER MORE CUT AND IMPACT PROTECTION AND IMPROVED TREADWEAR IN SEVERE OPERATING CONDITIONS

- Extra deep tread pattern provides longer wear
- Optimized tread pattern provides increased wearable tread
- Higher net-to-gross tread pattern offers increased cut/impact protection for more rugged, hard rock applications
- Enhanced cool running compound for higher heat applications

Available Sizes:	
18.00R33	46/90R57
24.00R35	53/80R63
40.00R57	

RM-3A

A GOODYEAR HAULAGE TIRE FOR HIGH-SPEED SERVICE THAT OFFERS OUTSTANDING TOUGHNESS AND PERFORMANCE

- Cool-running, shallow-tread haulage tire for long-haul, high-speed service
- A sidewall scallop helps reduce temperature buildup for longer treadwear
- A high-angle, non-directional tread pattern offers a higher TMPH rating for improved overall performance

Available Sizes:	
53/80R63	
59/80R63	

RM-4A+

THE NEXT GENERATION OF GOODYEAR HAULAGE TIRES OFFERING TOUGHNESS AND PERFORMANCE FOR SEVERE OPERATING CONDITIONS

- Extra-deep tread pattern helps provide longer treadwear
- A sidewall scallop offers reduced temperature buildup and allows for a higher TMPH rating for improved overall performance
- A high-angle, non-directional tread pattern helps provide forward and backward traction

Available Sizes:	
27.00R49	46/90R57
33.00R51	53/80R63
37.00R57	59/80R63

RT-4A+

150-LEVEL RADIAL HAULAGE TIRE WITH A DEEP TREAD PATTERN FOR OUTSTANDING TRACTION AND LONG, EVEN TREADWEAR

- 150-level tread depth offers optimized traction and treadwear
- Unique geometry lug pattern offers even pressure distribution and increased mobility
- Rugged tread design offers long, even wear

Available Sizes:	
18.00R33 (RT-4A only)	
24.00R35	
27.00R49
