Meeting Start time: 7:30 pm

Old Minutes:

New minutes

1. PG&E event - Made \$700. Put in \$500 for CHILAC. Feedback was good, want to go back for more classes / toolboxes.
2. Electrical contractors for Presentation for CREIA, Bo to double-check. Clarke-Rush to do presentation? Presentation for AC units, especially 95% efficiency units.
3. Current information from the insurance industry with regards to SB 442.
4. CREIA marketing plan - Marketing CREIA to Realtors. Correct image and foundation. Push who we are, What we are, and How we operate. Show why we are the best, best education, best consistency with inspectors. Put bullet points to show what we do and why we're better. Can we do a Special meeting to get the idea off the table? Most board members state they can. If we the meeting at Mimi's, Leon gets a 25% discount for everyone. Push Mission statement on Website? Must same as State CREIA.
5. Caroline Belachi, Select Environmental - Asbestos issues, Lead paint issues, complete service from testing to removal, all in compliance to latest codes. January speaker possible
6. When Terry sends out newsletter, it gets messed up. Needs to shrink it down.
7. People needing to re-plumb houses, Kitek pex. In the foothills lots do not want it because of pests/rodents.
8. Call Hof-brau, figure out program for Laptop to use to stream to TVs.
9. Device attaches to phone, uses x-rays to detect defects. Might be useful.

Meeting end time: 8:10 pm
