

MCG

OIL & COMMODITIES

Morais Oil & Commodities is a strategic division of MCG focused on the energy sector, with a focus on **trading and logistics of fossil fuels and derivatives.**

We act as intermediaries and commercial partners in large international operations with governance and compliance.

- International trade of Diesel EN590 (10ppm);
- Integrated port-to-port logistics (CIF);
- Annual supply contracts (up to 300,000 MT/month);
- Safe and auditable procedures with SBLC and MT103;
- SGS and Intertek inspections;

PARTNERSHIP WITH OILBRICS FZC

We commercially represent the portfolio of **OILBRICS**, a global supplier headquartered in the **United Arab Emirates**.

The partnership guarantees direct access by ship via the **Kulevi port** and **LOADING PORT: ROTTERDAM** to **Brazil and Latin America**.
