To the business owner and/or management,

The Paoli Chamber of Commerce is excited for a new year full of new and exciting opportunities for Paoli. The Chamber is looking to grow and expand to truly be of value to our local businesses. The Paoli Chamber of Commerce is eager to work alongside our entrepreneurs and organizations of Paoli and help create a thriving and growing community. We cannot provide our best services to the community without the support from people and companies like yourself.

This year, the Chamber hopes to focus on bringing value and resources to businesses and organizations of all sizes. Our Chamber realizes the importance of our local businesses and the value that they bring to our community. With our relationship between Chamber and local businesses, we truly hope to continue towards working together to create a thriving Paoli.

Enclosed you will find our membership application with our membership structure. All members will receive a window sticker to show your investment in our community.
