

The background of the slide is a photograph of a small, dark wooden church building with a steeple. A large, white, three-dimensional megaphone is superimposed over the church, pointing towards the right. The entire image has a purple and blue color overlay.

**2 TIMOTHY 4**

## 2 Timothy 4:3-5 NIV

**For the time will come when people will not put up with sound doctrine. Instead, to suit their own desires, they will gather around them a great number of teachers to say what their itching ears want to hear. They will turn their ears away from the truth and turn aside to myths. But you, keep your head in all situations, endure hardship, do the work of an evangelist, discharge all the duties of your ministry.**
