

WORTHINGTON FIRE DISTRICT

HYDRANT FLUSHING

Will continue through Wednesday, June 18th
8:30AM – 3:30PM

This may cause your water to become discolored for a short time. Although the water is still safe for use, we recommend you don't do laundry. Should you have laundry discolored due to the disturbance, do not dry; rewash with detergent and 4oz of cream of tartar.

WORTHINGTON FIRE DISTRICT IS AN EQUAL OPPORTUNITY PROVIDER AND EMPLOYER
