Grit & Grace Cleaning Solutions, LLC was formed in 2025. We are seeking USACE contracts for Lake Park Campground and Facility cleaning. We have employees with prior experience in this specific field, who have worked at Georgetown, Granger, Belton, and Stillhouse Hollow Lakes, among others.

Core Competencies:

- Comprehensive cleaning of commercial buildings, public parks, campgrounds, and restroom facilities
- Power washing of outdoor surfaces and structures
- Janitorial services for commercial buildings and public use facilities
- Handyman construction services for commercial and institutional buildings

Differentiators:

- Woman Owned, Family Run
- Responsive, reliable team, trained for all conditions
- Professional branding, with a strong emphasis on integrity and teamwork
- High physical standards for staff and rigorous background and MVR checks
- Special focus on janitorial and power washing services

Past Performance:

- New in business.
- COO: 30+ years of experience construction, including recent projects completed at Pensacola NAS & Jacksonville NAS
- President: 23 years of self-employment in a sanitation-oriented industry, plus 12 years of experience in the commercial insurance industry, where contract review and compliance are especially relevant.
- Pressure Washing
