

At Building Blocks we love to take photos of the children during learning, play and parties. I would like to be able to post the photos on Facebook, bbilc.com website, flyers and any other marketing ventures. If you allow your child/children to be photographed for this purpose please sign this waiver. Thank you

I, \_\_\_\_\_ give Building Blocks (BBILC) permission to  
photograph my child/children \_\_\_\_\_  
for use in their marketing projects, including Facebook.
