

NEW THIS YEAR!

FOR ALL AGES!

**Each night you will be given a card which can be picked up
at any of the following locations:**

**Women's Building
Bill Speck Building
Meador Building
Sally Wells Building**

**(the card will be placed at a different booth each night
so you will have to hunt!)**

Once you get your card and 1 stamp from that building, you will then travel to the other 3 buildings to receive their stamp. After you have gotten all 4 stamps on your card, you will turn the card into the Macon County Fair Office with your name and number on the back.

The cards will have different stamps each night at different locations!

***We will be giving away one \$25 gift card Monday through
Thursday night and three \$25 gift cards
on Friday & Saturday night.***
