### **Back numbers:**

If you go into town to shop or eat, please wear your back number and let them know that you are in town for a rodeo! We love when businesses let us know that they appreciate contestants and families come in and support them! We have been able to get some sponsorships because you have been wearing your back numbers! Thank you.

**YEAR END AWARDS!** To be eligible for year end awards you must attend at least 50% of the rodeos. At a minimum ALL members will receive jacket/vest and national shirt. Prizes and awards given will be based on sponsorships and donations received. As a reminder, what you bring in is what we spend on awards! If you were a member last year you know we like to give it all back to the kids!
