Please Pray For

The Andrade Family

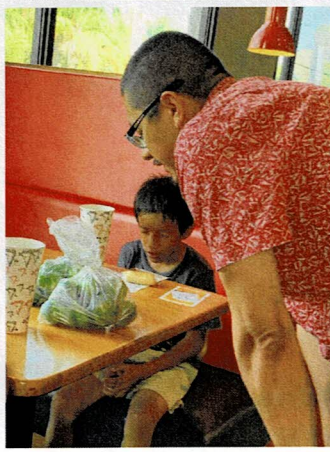

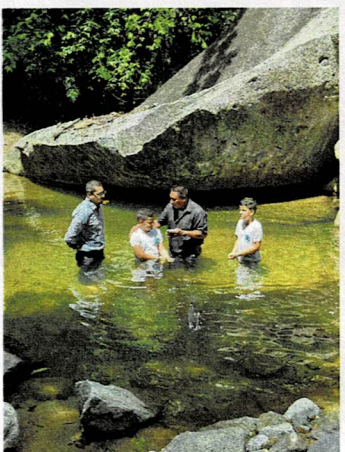

August 2024

Dear Pastor & Church,

For me it is a pleasure and joy to be able to write to you through this letter and tell you about what God is doing in our Ministry in these past months, thank you very much for taking the time to read what God is doing.

As in the last letter I sent I was telling you about the burden that God is putting on me to start a work in the USA and asks you to please be praying that God will open doors. Thank God in these months we have been going to various places to win souls and see where God wants us to be able to start a church Thank God we have been in Maryland and Delaware and Virginia and Pennsylvania, God has let us see people coming to the feet of Christ, please keep praying for us God to confirm the exact place He wants us to begin the work.

In the month of **June and July**, God gave me and my family the opportunity to travel to Panama and Honduras, and we were able to see more than 700 people come to the feet of Christ and be able to preach and distribute Bibles and school supplies to more than 900 children and young people in the public schools of those countries, is a blessing to see the hunger that exists in those countries and the open doors for the Word of God. Please continue to pray that I will get more people to join the ministry of giving a Bible to those children in Honduras, Panama and Guatemala that the cost is \$5 for each Bible.

Thank God also in those months that we are there, God gave me the opportunity to baptize two children in one of the churches in Honduras that God gave me the opportunity to start.

In the last letter I mentioned from one of the pastors that God gave me the opportunity to reach and train him for Christ who was pastoring two of the churches that God gave me the opportunity to start in Honduras, In December 2023, he passed away and he left his wife and two daughters, one 8 years old and the other 4 years old, and now they are in great need to be able to support themselves financially each month and we have been praying and finding help for them. And we have decided to pray and ask you to pray for God to put in the hearts of people who want to help them so that they can get financially help, our plans are to help her to start a small food business so that she can sell and be able to help herself and her little daughters, please help us to pray that God will provide \$500 US dollars and if God puts in her heart, to help her, her name is Sayda Amaya, you can send the help to the mission board and with joy she will receive that great help in advance, I want to thank you brothers.

We have also had the vehicles not working, thank God and your help we were able to fix them this month, they are working hard again to be able to bring the people to Church and being used to reach people for Christ. We are also praying for God to provide the money; we need to put the floor of the church in the corral Honduras, and it is costing to fix it \$1,500 US dollars. Also pray for Pastor Henry Gomez, we are trying to get him a motorcycle so that he can continue to go to the mountains to preach to the people of the mountains and to pastoral the church of Politron Honduras the cost is \$2,400 US dollars.

Thank you very much for all your prayers and support each month is of great blessing to my family and the works of Honduras and the ministries that God has given us for His Glory and Honor.
