### Prayer Letter

Dear Ministry Partners,

Well, 2026 is here and we are looking forward to this new year! We had a wonderful Christmas and New Year and we hope that you did as well. It was wonderful to spend time with family and make memories that will last a lifetime. We were also able to be at our home church and be part of the Christmas play and in two parades. We love them dearly and are so thankful to be part of Faith Baptist Church. We have a full schedule this year and we are looking forward to being with many of you who are reading this prayer letter. We are praying that God will do a special work in the services this year. The condition of our communities, our country, and the world is so sad but I'm thankful that we have the answer and His name is Jesus! We just want others to see what a wonderful life it is when Jesus is our Savior. As always, we want to thank you for your prayers, love, and support to our family. We couldn't do what God has called us to without all of you. May God bless you abundantly in this new year!

We love you!
