Dear Ministry Partners,

God gave me a message years ago titled "Enjoy Your Ride On The Christian Cyclone". I'm thankful that even through the storms and trials of this life we still have the joy of the Lord because of Jesus Christ! In the early morning hours of March 19th our house caught fire while we were in Tennessee for a revival meeting. Our oldest son, Lane, was in the house asleep when the fire started. We are so thankful for God's protection for Lane and he was able to get out of the house safely. We left early that morning and drove the 8 1/2 hours to get home to Lane and our badly damaged house. We want to thank you for your prayers and the many who have given financially to our family. Please continue to pray for us as we will soon tear down our home and rebuild at the same location.

We love you!
