April 2026

Dear Co-Laborers in Christ,

Proverbs 6:6 tells us, "Go to the ant, thou sluggard; consider her ways, and be wise." As I read this, I thought of my walk with God and how I am to be busy about the work He has set before me. I can't speak for others, but as we travel and I am away from my family, I sometimes lose focus on why I am serving in this ministry. God's word always comforts me and gives the answers I need. Galatians 6:9 says, "And let us not be weary in well doing: for in due season we shall reap, if we faint not." God's benefits certainly can overcome the loneliness!

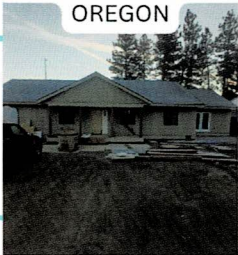

In spite of the winter weather, we have had a busy few months. In January, we were able to help Pastor Erick Goff at Trulite Baptist Church in High Point, NC, hang monitors for their sound system and are now helping with some porch repairs.

In January, we were able to return to Oregon to help Pastor Peil on his house. We cased out the windows and trimmed in the base boards. He has since gotten his final inspection and is now ready to move in! Praise the Lord! Please pray continue to pray for this Pastor, his family, and congregation.

We recently went to Loris, SC, to help at Liberty Baptist Church. We installed new bathrooms in the church building as the old ones required going outside for access. While they were functioning restrooms, this will certainly be a welcomed amenity.

We are still waiting on inspections such as AC & electrical at three different churches, one of which is the project in Canada. Please help us pray that the inspections will be done soon so their projects can proceed.

Locally, we've helped Pastor Kenny Heath at Faith Baptist Church in Germanton, NC, renovate their sanctuary by installing new flooring and trim work.

We will soon be going to Massachusetts to help Grace Baptist Church as well as to Kentucky to help build a mission home there. Hopefully we will have updates to share on these projects in our next newsletter.

I am excited to announce that Daniel Arnold has surrendered to go full-time with the Craftsmen for Christ Ministry. He and his wife Melissa are members of Freedom Baptist Church in Rural Hall, NC. Daniel has helped us on quite a few projects over the last few years, while continuing to teach public school. We are excited to have him as part of the ministry.

DANIEL & MELISSA ARNOLD

On Saturday, April 25, we will host our 5th Annual Golf Tournament Fundraiser. This event helps raise money to cover traveling expenses for the ministry, which we know is higher cost right now. If you're a golfer, get a team together and join us! Not a golfer? We need sponsors also. It's a fun day, with great food & fellowship. If you aren't able to help financially - PRAY! Pray for good weather for the event.

Would you prayerfully consider volunteering on a project or supporting the ministry financially? We know that many pray for us daily and for that we are truly grateful!

Let's Continue to Serve!

BUILDING FOR THE CAUSE OF CHRIST

HOW CAN YOU HELP?

PRAY

You may not be able to go physically or help financially but prayer changes things! We need prayer warriors praying for us.

GIVE

While fuel and supplies are not free, God does supply our needs. One way is by monthly support. Would you or your church partner with us financially?

SERVE

I'll be honest, I'm not getting any younger! Most of our volunteers are over the age of 50. Would you be available to help on a local project?
