BUILDING FOR THE CAUSE OF CHRIST

January 2026

Jesus - the greatest gift, wrapped in love, sent to us! I'm rejoicing over the glorious gift God gave us in His Son, Jesus! I am thankful for this time of year that we can reflect on the blessings and cherish time with friends and family. I pray you had a wonderful Christmas and wish you a Happy New Year!

I would like to thank those that volunteered in 2025 and I greatly appreciate your willingness to serve. I have been reading Luke 14:33 where our Lord said, "Whosoever he be of you that forsaketh not all that he hath, he cannot be my disciple. This is a very strong statement! I wonder what we are willing to give up for others, Jesus gave all. What are we allowing our limitations to be? I ask you to think on what yours may be.

We have been busy since our last newsletter. Good News Baptist Church in Spring Hope, NC, are now in their new building. We were able to install bathroom partitions for them. Please pray for this ministry as it continues to grow.

BATHROOM PARTITIONS

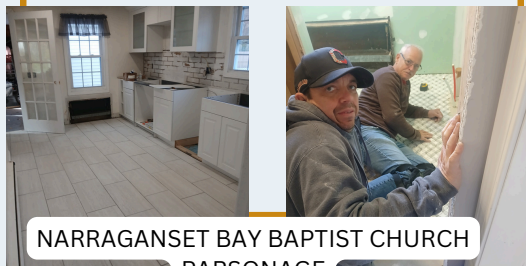

We were able to help three different ministries in Patrick Springs, VA. Calvary Baptist Church needed repairs done to their roof. Then we also helped complete the vinyl on the fellowship hall at New Beginnings Baptist Church. They are now waiting on the mechanicals to be installed. We also worked on the vinyl at Spring of Hope Camp.

We helped again at Mercy Mountain Academy in Asheboro, NC, framing the new addition. They are waiting on the doors & windows and also the mechanical to be installed. We plan to go back the help brick veneer and vinyl when they are ready.

In November, we traveled to Narraganset Bay Baptist Church in Rhode Island to work on their parsonage. We were able to tile the kitchen and bathroom and also do some framing. Please pray for this ministry as they still have a vision to open a Christian School. As shared in past newsletters, they have the facilities but many repairs and updates are needed.

We also travelled to Rosebud, Arkansas, to help at Freedom Baptist Church. They are in the process of building a new sanctuary and we were able to help with the trim work. Please pray for this ministry as they continue their building project.

We look forward to 2026 and have already had many ministries reach out about needing help on projects. Please pray for us as we seek God's will. Would you prayerfully consider volunteering on a project or supporting the ministry financially? We know that many pray for us daily and for that we are truly grateful!

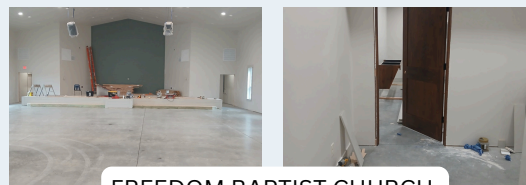

Most have already updated the information, but for anyone who already supports the ministry or one of our missionaries, please take note of the new remittance info listed at the bottom of this newsletter and use it for any monthly support or love offerings.

## HOW CAN YOU HELP?

### PRAY

You may not be able to go physically or help financially but prayer changes things! We need prayer warriors praying for us.

### GIVE

While fuel and supplies are not free, God does supply our needs. One way is by monthly support. Would you or your church partner with us financially?

### SERVE

I'll be honest, I'm not getting any younger! Most of our volunteers are over the age of 50. Would you be available to help on a local project?
