BUILDING FOR THE CAUSE OF CHRIST

MARCH 2025

As I sit to write this newsletter, spring is upon us. The trees have started to bloom, and I think of John 3, where Jesus told Nicodemus, "Except a man be born again, he cannot see the kingdom of God." Spring brings new life with the return of the leaves on the trees, grass on the ground, and flowers in the field. It's a beautiful sight, but even more beautiful is the new birth in Jesus that will never die again. Praise the Lord, it's eternal!

Hank & I have been working at True Light Rescue Mission in Sandy Ridge, NC, for most of the winter. We have gotten a lot accomplished on the inside of the building. This project required complete gutting and reconfiguring of the inside. Now that temperatures are warming up, we have moved to doing repairs on the outside. We are in the process of putting new siding on. We thank Pastor Randy Cook and mission director, Jamie Doss, for working alongside us almost every day. Another special thanks to Gary East, who has also helped us greatly with this project.

On some of the colder days, we remodeled the women's bathroom at Shining Light Baptist Church in Germantown, NC. They have a prophet's chamber onsite, and this facelift was much needed.

We were able to visit Crossroads of Life Baptist Church in Canton, Georgia, and help underpin a modular classroom building. We want to thank Pastor Charles Ray and the congregation for their hospitality. We enjoyed working alongside many from their church.

Narragansett Bay Video

I would ask you to pray for Narragansett Bay Baptist Church in Warwick, Rhode Island. We have helped them with past projects. The Lord has blessed this ministry, and Pastor Dru Merrill and the congregation have a desire to start a Christian school. The property already has facilities such as a gym that are suited for a school but have fallen into disrepair over the years and thru transitions of the church. This will be a great undertaking but could be a great blessing to the community. Use the QR code to the left to view a video telling more about this need.

We are looking forward to our upcoming Golf Tournament Fundraiser taking place on Saturday, May 3, at Hemlock Golf Course in Walnut Cove, NC. We use this event to help raise money for special projects coming up. I, myself, am not the best golfer, but I do enjoy the fellowship (and the food!). Please visit our website www.cfcib.com for more information or to sign up. Sponsors, players, and donations are needed.

We ask that you continue to pray for us as we serve. It is our desire to do God's will and help other ministries further the gospel!
