BUILDING FOR THE CAUSE OF CHRIST

www.cfcib.com

October 2026

Dear Co-Laborers in Christ,

"And whatsoever ye do, do it heartily, as to the Lord, and not unto men." Colossians 3:23. As I write this letter, my prayer is all is well with each one of you. Before I get into ministry updates, I would like start with an urgent ministry need. We need volunteers! We need people willing to help, particularly in the fields of plumbing, electrical, and HVAC. We need those who are willing to be used of God by using the skill given to them in this life. Many times, it is said, God doesn't need our ability, He needs our availability. This is very true, but many have ability but don't take the step to be available and use their skills for the cause of Christ. Weekly we are asked to help ministries in need but can only help in certain stages of the project. I feel there many skilled tradesmen in the churches that support this ministry that could provide services to these ministries in need. If you work in a trade such or have other construction skills, please reach out to me. We want to help these ministries save money as they spread the Gospel to a lost and dying world. We that are Christians should see the need and respond more urgently in these last days!

MERCY MOUNTAIN ACADEMY

Psalm 119:105, "Thy word is a lamp unto my feet, and a light unto my path." We all can probably quote this verse, but I'm afraid that is all we do. We all must live by faith, or we will not please our Lord! We should cut the lifeline of this world and trust our Savior. I would like to thank all who support this ministry financially. Travel is expensive, but our God is not broke!! Thank you for helping us continue to help ministries in need. Thank you also for your prayers.

CIRCLE C BAPTIST RANCH

Now, let's give some updates about what God is doing through the Craftsmen for Christ Ministry. We have finished our work at Mercy Mountain Academy in Asheboro, NC, except for the deck on the back of the house. Please pray for this ministry and they continue to help young girls in need.

NEW BEGINNINGS BAPTIST CHURCH

Ten of us men were able to go to Lancaster, Kentucky, to help Pastor Chris with a building project at Circle C Baptist Ranch. I would like to thank each man that went with us for their hard work and willingness to serve.

2026 BANQUET

We are still working at New Beginnings Baptist Church in Patrick Springs, VA. We have completed the sheetrock and painting and will be working on the ceiling, floors, and trim work. We have other projects scheduled for the future that we will update in later newsletters but want to finish up at New Beginnings before committing to other projects. Pray that God will strengthen us for the work!

Thank you to all who came to our Annual Appreciation Banquet. We had a wonderful day of fellowship! Please mark your calendar for Saturday, August 21, 2027, to join us.

Lastly, I would like to ask you to pray for Roger Mullins. Bro. Roger served with the Craftsmen for Christ Ministry for over 20 years. He has been diagnosed with kidney cancer and will be having surgery in October. Please pray that God will touch and strengthen Roger and guide the doctors.

Let's Continue to Serve!
Joe Pegram
Ministry Director

Craftsmen for Christ Ministry

BUILDING FOR THE CAUSE OF CHRIST

SPECIAL THANK YOU TO OUR GOLF TOURNAMENT SPONSORS

PRAY
You may not be able to go physically or help financially but prayer changes things! We need prayer warriors praying for us.

GIVE
While fuel and supplies are not free, God does supply our needs. One way is by monthly support. Would you or your church partner with us financially?

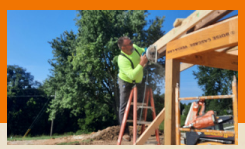

SERVE
I'll be honest, I'm not getting any younger! Most of our volunteers are over the age of 50. Would you be available to help on a local project?
