BUILDING FOR THE CAUSE OF CHRIST

Dear Brothers & Sisters in Christ,

March 2024

I Corinthians 16:16 states, "That ye submit yourselves unto such, and to every one that helpeth with us, and laboureth." As I begin to pen down this letter, I am reminded of the past few months of how God kept us safe during our travels and provided safety for our volunteers. We have traveled from Rhode Island to California and some in between. I am amazed at what God will do when we are willing to serve Him.

Since our last newsletter we were able to travel to Winter Haven, California, to help New Haven Baptist Church where Jacob Jones is the Pastor. We were able to remodel the kitchen and small classroom. This church has limited space so the kitchen will also be used as a classroom. Pray for this ministry as they try to reach the community that is so indoctrinated with tradition.

We were able to add a bathroom to Grace Baptist Church in Tyro, NC. James Causey, the pastor, and some of the men of the church have been working on different repairs of the building. I ask that you pray for Bro. Causey as he is recovering from a lung infection.

We are continuing to work at New Beginnings Baptist Church in Spring Hope, NC, with their fellowship hall addition. We have been able to complete the vinyl siding. Please pray for Paster Shane Brantley and the congregation there.

Most recently, we traveled to Narragansett Bay Baptist Church in Warwick, Rhode Island, where Dru Merrill is the Pastor. Here we were able to lay tile and help with some other small projects. We hope to return to help with more projects.

I have a special prayer request to share with you. In 2021, we were able to help Evangelist Jesse Butcher and his family with an addition to their house. On March 18, their house caught fire and suffered extensive damage. Praise the Lord, their son was able to get out of the house safely. I ask that you pray for them during this difficult time.

We are excited about our upcoming Golf Tournament Fundraiser. This will be our 3rd year and it has been a great way to reach the community and help raise funds for the ministry. There is still time to sign up to play or be a sponsor, just visit www.cfcib.com.

Whether it is prayerfully, financially, or physically, I thank you all for your continued support of the Craftsmen for Christ Ministry.

Let's Continue to Serve!
