## A Message From The Director

While the sights and sounds of the Christmas season have vanished, what remains is the great joy that the children of Ebenezer have experienced due to the outpouring of your generosity. For every Christmas party, every gift, every trip, every special meal, and especially every prayer. I am eternally grateful that God continues to use good people like you to bless this ministry.

As we move forward in this new year we have many things to look forward to. Caleb's Home in Old Fort will soon have residents, Esther's Home in Hudson is nearing completion, and there are many events and special projects on the horizon. Most of all, I look forward to continuing to work with all of you to keep Ebenezer Christian Children's Home a "Safe Place to Laugh, Play, and Dream. To God be the glory for all He has done and will continue to do.

We are excited and grateful to partner with FAITHFEST for this event. Their expertise in handling all of the technical and logistical behind-the-scenes issues gives us a greater opportunity to make the event a memorable experience for the children in our care.

# ESTHER'S HOME HUDSON, NC

Much progress is being made on our newest home in Hudson, NC. This 10,000 square foot home will allow us to provide care for up to nine children at one time. We are excited to be able to serve children in Caldwell and surrounding counties who are in need of a "Safe Place to Laugh, Play, and Dream".

As construction nears completion we are asking for your help to fill this house with all the things that make a house a home. We are currently accepting requests to become a room sponsor in honor or memory of someone. Room sponsorships range from \$2,500 to \$10,000. For more information on room sponsorships please call Mrs. Jean Davis at 336-984-0290 or email her at [jeandavis51@gmail.com](mailto:jeandavis51@gmail.com).

If you are skilled at hanging and finishing sheetrock, installing electrical and/or plumbing fixtures, finish carpentry, or other construction skills, and would like to volunteer your time and labor, we could use your help. Just give Mrs. Jean a call.

Another way to help is to choose items from our Amazon wish list to purchase for the home. To do this, scan the QR code below and select items to donate.
