Pastors, Churches and Prayer Warriors:

It is always a blessing to greet you and share what the Lord is doing in our lives and ministries. Thank the Lord and to you that are part of our ministries, in supporting us financially and in prayer.

I want to thank the Lord for our Vacation Bible School in June. Because of VBS, Maricela and her two children are coming faithfully to church.

In July, we took our teens to youth camp in Tennessee. We had done a fundraiser in June for the expenses and the goal was met. I want to thank everyone that came and made it possible. We had a

wonderful time with all the activities in camp but most important, the teaching and preaching of the Word of God. I was able to teach and preach in 3 of the sessions. We also had 3 young people surrender for full time service.

I want to share a testimony. On a Sunday after church, we took a missionary out to eat. While we were eating, a lady was looking at us. After we finish eating, I told my wife to give this lady a tract. My wife gave it to her. She said that she had moved from Tennessee and had attended a Baptist church there. She had been in the area for only 1 month already and was looking for a church. Yamileth, from the country of Honduras, now is coming faithfully to church every Sunday morning and Wednesday night. She even was looking for a job that wouldn't force her to miss church on Sunday. This coming, Monday, she will start working in a place that will allow her to be faithful to church. Praise the Lord!

I would like to ask you for your prayers for some special needs. A couple years ago, we were donated a church van. It was a blessing, but now is not working. We took it to two mechanic shops, and they couldn't find the problem. If you can pray, so God can help us get another one. It is very important need for our church in bringing people to church but also for church activities. If you know of anyone that is not using one and would like to donate theirs, it will be of great blessing.

Help us pray because in October 23 to 25, we will be having our mission conference. It is always a great joy to encourage the

church in North Wilkesboro to do more in taking the Gospel to the other parts of the world.

In our other ministry through FBHM, God has opened a door for November to build a church building and have evangelistic services in Chiapas, Mexico. We will be there 2 weeks. Also, the total cost is \$1,500 but God has already provided \$1,000 dollars. If you can help with the rest of the \$500 dollars, it will be a great blessing. You can send it to the mission board and put on the memo of the check: Ernesto Andrade/mission trip Mexico.

We have also recently added another missionary to our mission board in FBHM. His name is Andres Nuñez in Jalisco, Mexico. The Lord is blessing his labor there in that needy part of the world. It is a blessing to be part in this area of missions.

There is much more to say what the Lord is doing through our both ministries. Thank you that you are being part of it. Please keep us in your prayers and helping us financially.

Prayer Requests:

1. God can keep using us and give wisdom for His glory!
2. God can provide \$500 dollars for the mission trip in November to Mexico.
3. God can provide a church van for the church in North Wilkesboro.

In Christ,
