### May 2026 News

Dear Friends and Family,

Annually, Easter Sunday is a wonderful opportunity to share the gospel with people. We had our normal early morning service, breakfast, children's activity and morning worship service. We had first-time visitors to attend each of the worship services, and they have continued to come along.

### Easter breakfast and activity

The next few months are filled with many opportunities to share the gospel and encourage believers. We begin teaching religious instruction classes (RI's) in early May in another school. We will be teaching about 40 kids who are in second grade. This is the only grade in which this school allows us to teach RI's. Please pray that the gospel will be received by each of the students. On Mother's Day weekend, we will have a men's prayer breakfast and ladies' afternoon tea. In June, we will have our first ever family emphasis weekend. We will have visiting speakers for these special services. Lastly, primary and high school Christian camps begin in the last week of June.

Please pray for those who have been newly coming along, that we will be able to talk to them about their relationship with God. One man, who has been coming to services for over a month now, comes in late and leaves during the song of invitation. Another man, who is struggling with alcohol addiction, acknowledges his need for Christ but has not been willing to trust the Lord yet. Another man, whom I have not seen for over 15 years, came to a service in April and has continued to come (praise the Lord!).

Lastly, please pray for a family who have been coming for a few months that have been attending less often. Thank you for your faithful giving and prayers.

Love,  
Kelly and Becca Gilliam
