September 2026 News

Dear Friends and Family,

And of some have compassion, making a difference (Jude 1:22). The first Sunday in September is Father's Day in Australia. The theme of the day was "making a difference." In the morning service, I emphasized the special role fathers have in the home and the impact that they can make in their families. In the evening service, we looked more in depth at Jude 1:22 at how compassion shown may be just what some need to help them see that Christianity is real.

In August, we had a visiting Australian speaker that I have known for almost 30 years. He spoke at our men's breakfast on the importance of character and gave a gospel presentation in the morning service. In the morning service we also recognised the importance of older believers in the church. It was a good day.

Later in September, we will have a baptism service with at least 4 adults being baptized. One recently trusted Christ as Saviour and the other three were all baptized as infants but now understand the importance of believer's baptism. The following day, we will attend the annual family camp located about an hour away. Hopefully, several from our church and other independent Baptist churches in North Queensland will be able to get together, enjoy fellowship and good food and be helped through God's word.

It looks like we are going to have the personnel to teach more Religious Instruction classes next year. Please pray that we can get into a new public school and increase the number of classes we teach at another school. Please pray for a new convert who is older and who is struggling with past addictions.

Thank you for your faithful giving and prayers.
