April 2024 News

Dear Friends and Family,

Many people in Australia use the four-day Easter weekend as a time to get away and generally use the time to go camping. While we did have some folks away, our Easter services were well attended. We had our second annual early morning service and breakfast (photos below). The attendance at the early morning (7am) service was surprisingly good, though only about half who attended were on time 🙄. We had three visitors in the regular morning service. The messages focused on the theme of the resurrection in the book of Philippians. Please pray that the visitors come back and that we are able to ministry to them and their families.

In March, the Lord brought a lady and her husband to church that I had been in phone contact with but had never met. As we talked after the service, she said that I had taught her three children religious education in one of the local public schools. The lady and her husband came to church for a couple of weeks and I was later able to lead her to the Lord. Praise the Lord! Please pray for this lady and her family that she will continue to grow in the Lord. I also was able to lead an eighty-year-old lady to the Lord at a nursing home. Before I left for the States in November, the lady had shown little interest in spiritual things. When I visited her this time after our return, I noticed that she had lost a lot of weight, and while she was well-aware mentally, she seemed to be doing worse physically. I asked her if I could explain the gospel to her, and to my surprise she said, "Yes." I took the Bible and explained how she could be saved and she asked the Lord to save her. Praise the Lord!

Please pray for Reese and Bryce as they continue their university studies.

Thank you for your prayers and gracious giving.
