

## THE HARRIS MISSIONARIES TO NORTH DAKOTA

January, February, & March, 2025

Dear Pastor and Church:

Greetings in the Wonderful Name of our Lord and Saviour Jesus Christ.

I hope All is well with you All. No doubt many of you are experiencing Spring. Up here it is Spring one day and cold and freezing the next. But sooner or later Spring wins out and we can enjoy the weather you are enjoying now.

Even though we have had a cold, cold winter, (not much snow, Praise the Lord) we did not have to call many services off, and had good attendance and wonderful services where 3 young people got saved. I Thank God for sending Pastor John and his wife Sonja, who are Filipinos, to work with us for a while.

I ask you all to Pray, May the third, we have two Baptist Churches here in North Dakota and one from Minnesota come to help us pass out Tracts and John and Romans on the Spirit Lakd Sioux Reservation. God's Word is one that will never return void. When we get our Church building completed we want to do the same thing here in the city of Devils Lake and all the small towns in the area.

As you know we have the outside of our building finished. We are now taking estimates from contractors of the expense to finish the inside. When I get the reports I will sumit it to the Bank the Church does bussiness with, and see about getting a line of credit so we can get people to help us finish the inside. Please help us pray we need this new building bad.

I want to Thank All the Churches and Individuals who have donated money for this new building. And for All who have come and helped work on the building. You will be rewarded one day for every soul who comes to know Christ as their Saviour. If any of you would still like to donate to this, we would greatly appricate it.

I ask you to please pray for the people in our Church. Many have health issues, and burdens we carry for unsaved loved ones. Just like you folks, Let's pray for one another.

Thank You All for your Prayer and financial support,

Sinners Saved by Grace
