

THE HARRIS MISSIONARIES TO NORTH DAKOTA

JULY, AUGUST, & SEPTEMBER, 2026

Dear Pastor and Church:

Greetings in the Precious Name of our Saviour Jesus Christ. I hope his letter finds everyone doing well.

Summer is coming to and end. Fall is approaching, and not far behind is Winter. God is still on His Throne. He is still the same as always; and seeing His will carried out.

God has blessed us with people willing to come up here and work where we wouldn't have to pay labor. They came from many different states paying their own expenses. We appreciate all they did. A friend from Kentucky called me and said, that God laid it on his and some of his friends hearts to pay for all the sheet rock we need in our new Church.

I prayed and asked God, that if it was His Will I would go to the Bank to see about getting a line of credit for one hundred thousand dollars to finish the Church building. I prayed and told God. I wanted what He wanted. If it was His Will to get the line of credit I would appreciate it; If not that's fine. I want what God wants. So I went to a bank we did business with 20 years ago. I took our financial records to show our take in offerings and what we pay out. Showing them we owe no one anything. I put the 20 acres of land and the Church up for collateral. I wasn't in there 10 minutes and they said no. The same bank who 20 years ago loaned me \$7,000 to pay the land off. We paid it off in less than a year.

In the last 20 years Banks have put so many restrictions on borrowing. I Thank God He has puts no restrictions on His children to accomplish His Will,

I want to Thank Everyone who has donated the two hundred and twenty five thousand dollars for our building. Please help us pray that God will send us the funds in so we can get in our building, and then we can finish it as we go. We would like to be in it sometime this fall or early winter. I would like to give you an estimate of what we need. Foam Installation, \$25,000, this is needed for the cold winters here. Bathroom fixtures, \$3000. Total- \$28,000,

There are other expense but we have enough in our building fund and regular Church account to cover them.

Once again I want to Thank You All who have prayed and give to us. Please keep praying that God will meet this need. If God lays it on your heart to give, you can make your donations to our Mission Board.
