**July 2026**

We are thankful for all the blessings God gave throughout the month of July. We kicked off the month celebrating, with the rest of our country, our nation's 250<sup>th</sup> Anniversary. What a blessing to live in 'the land of the free and home of the brave'. Our nation has been greatly blessed but is in desperate need of revival. Pray for America.

The next weekend, we had a youth group from one of our supporting churches in North Carolina come out to help with the John/Romans project. They did an awesome job and we were blessed to have them with us. They had a lot of great questions about life and the mission work in Utah. On Sunday, they helped in every area of the ministry and Pastor McDaniel brought a wonderful message.

Our first Summer Revival was the final weekend of July. Pastor Broyhill, from Calvary Baptist, King, NC, came to preach for us and brought our third son, Luke, and his family, to provide the special music. The meeting went great. We averaged forty in our evening services, with visitors every night. It was a blessing to see our people so faithful to the meeting. And a special blessing to spend time with Luke, Megan, and the grandkids, who stayed an extra few days for some Memaw and Pop Pop time 😊.

The jail and chaplain ministries continue to go well. There has been quite a bit of turnover in the jail, so we are ministering to new groups on a regular basis. Pray for these men and women, and for us as our team tries to share the gospel and reach them with the truth of God's Word. It is a tremendous blessing to preach and teach to the 'sick' who are in desperate need of a 'physician' (Luke 5:31). The chaplain work continues to open doors in the community. Please pray for those who serve our community and that God would give me wisdom and opportunities to share Christ in word and deed.

The family is doing well. One of our 'adopted' sons (actually a pastor's son from NC) came out for a quick visit in June. It was great to host Caleb for a few days. The many friends God has given us over the years is a greater blessing than we could express. Keep our family and little flock in your prayers. God is good!

In His Service – Philip, Angela, Abigail, Gideon
