November 2025

November was a fantastic month of ministry in Utah. We have seen visitors almost every week and some beginning to attend on a regular basis. Brother Obed Missal, a dear missionary friend from India, was with us on the first Sunday of the month. He was a tremendous blessing. On the 12th, Brother Jonnel Suyat, missionary to the Philippines, was with us. He brought a great message and shared the work God is doing through them in their home country. On the third Sunday, we had our Thanksgiving fellowship and had a wonderful time 'giving thanks' as a church family.

The jail ministry continues to be blessed. Two women and four men trusted Christ as their Saviour this month. We are holding five services each week (two men's and three women's) and I am back for one-on-one's on Wednesday and Friday, along with one of our ladies. I meet with between eight and fourteen men each week and the ladies meet with from two to ten. Pray that God blesses with more souls saved and spiritual growth for the new believers.

The chaplain work is going well. I spent time each Tuesday at the Police Department and began visiting some at the Fire Department. They have asked about the possibility of me working with them as I do with the Police. I've spoken with their new chief and she is working out a few details, but hopefully I'll be able to begin working with their crews in January.

Please keep our family and little flock in your prayers. Angela, Abi, and Gideon are doing great. The kids continue working hard in the ministry and advancing in their jobs. I'm very thankful for their faithfulness in adversity and their desire to serve God with their lives. We are very thankful for the many faithful prayer warriors, encouragers, and those who financially invest in the word God is doing here in Utah. We could not do it without you. Thank you!
