## Missionaries to the state of Utah

October 2025

I began the month back in North Carolina, where I preached a revival meeting for Pastor Josh Boles, at Temple Baptist, in Lewisville, NC. God blessed with a wonderful meeting and a special time with family, being only forty minutes from my parent's home, who I stayed with. I was able to celebrate another birthday while I was there as well.

Angela and the kids did an outstanding job while I was gone. A dear missionary friend, Ty Pepperdine, came up from St. George, Utah, and preached for me the Sunday morning I was gone. Gideon and our men stepped up for our other services and did great. We have been blessed with an amazing little flock who love to serve and are willing to help in any way they can.

God continues to bless the other aspects of the ministry. Services in the Davis County Jail are going fantastic. Attendance is staying strong in most every unit. We minister to between seventy and eighty each week through the men's and ladies' services. In addition, the one-on-one meetings have been growing, spending three to five hours a week meeting with eight to fourteen men.

The chaplain work at the Farmington PD is doing great. I am usually at the department from three to eight hours each week. This has opened another possible door for chaplain work in our city. I don't know the details yet, but pray for God's wisdom and direction in ministering to our local first responders. I should have an update in next month's letter.

Calvary Baptist celebrated our fourth Homecoming in October. This marks the first service we held, in October 2021. It is a special time of remembrance and celebration for all that God has done. We have had a number of visitors in the fall and are praying for the salvation of some who have been asking questions about the Gospel.

Please keep our family and little flock in your prayers. God is doing a great work and we are so thankful to be a part of His work.

In His Service – Philip, Angela, Abigail, Gideon
