Missionaries to the state of Utah

September 2026

We had a great month of ministry in September. Attendance continues to be good at Calvary, and our little flock is growing in their faith and walk with the Lord. I was gone two different Sunday mornings in the month and our people stepped up and did a great job teaching, leading the services, as well as preaching for a mid-week meeting. Pray that God will continue to develop their gifts and abilities to take our little flock to the next level. One week, the family travelled back to North Carolina for my oldest nephew's wedding. The last Sunday morning of the month, Angela and I were in Riverton, UT, for the 23rd Anniversary of Harvest Valley Baptist Church, and Pastor Mullineaux. We had a wonderful time with them.

The jail ministry continues to go well. The services continue to be well attended, and one-on-ones keep us quite busy on Wednesday and Friday afternoons. Pray that we will see more men and women come to faith in Christ in this last quarter of the year. Also, pray that God will grow the faith of those who have been saved and use them to be a witness to others. There are more names than I can include in a prayer letter, but please pray for each man and woman who hears the Gospel, that the Spirit will bring conviction and draw them to Christ as their Saviour.

It is a blessing to visit with our police and fire staff each week as well. I shared a couple of videos with some of them this month, dealing with different issues of life. Pray that God will use the simple truths to cause them to think about life in light of the eternal principles of God's Word. It is easy to get consumed with the 'here and now' and miss His eternal truths.

Always keep our family and little flock in your prayers. I often say, I feel like the early church in the book of Acts. Though God has brought us some believers who have walked with the Lord for a while and been in good churches in other parts of the country, God is putting together a body of believers in Farmington who have no history together, who are building a foundation for generations to come. We always need your prayers, and we love and appreciate all you do for our family and this ministry.
