## Missionaries to the state of Utah

**March 2026**

March was another wonderful month of ministry in Utah. Because of your faithful encouragement, prayers, and support, God is working in an amazing way. Our little flock continues to grow – not always numerically – but in their faith and faithfulness. It is a blessing to see them excited when visitors walk through the door, eager to welcome them, prayerful that God will work in their heart. We average in the 30's on Sunday morning, but we had 42 on the fourth Sunday, while Angela and I were away in a mission conference. Everyone stepped up and did fantastic while we were away.

The jail ministry continues to go well. We saw men saved in March and many wonderful services with both the men and women. The one-on-one meetings have been going great as well. March saw growth in a unique way in the one-on-ones. Guys have been talking about our meetings with other inmates as we have now seen three men begin setting up the personal meetings, who are unable to come to our services. God's Word has a powerful way of changing lives and bringing hope to broken and scarred lives. Please keep praying for this arm of the ministry.

The chaplain ministry continues to open doors. I was able to attend a training with the Fire Department early in the month, which placed me in a meeting room with a half-dozen other departments in our region. It was great to learn and make more contacts. The Police Department is doing great. Gideon was able to go with me for a day of training with them, doing various simulations. We were bad guys, good guys, and in one scenario I was neutralized (shot – with sim rounds of course 😊).

At the end of the month, Angela and I travelled up to Idaho Falls, ID, for a mission conference. God blessed with a special meeting. Pastor Bell and the church did a fantastic job. There was liberty to preach and a good response to each message. The host family we stayed with were such a blessing. Pray that God will use the meeting to encourage and grow their vision and faith promise mission giving.

Keep our little flock and family in your prayers. Abigail and Gideon are doing well – working hard and helping in every area of the ministry. Gideon is training some of our men in the broadcast side of the ministry. Abi works with all of our music. It is such a privilege to serve the Lord together!
