JUNE 2026

DECISIONS, DECISIONS, DECISIONS!

TEEN CAMP:

- Camp is one of our favorite times of the year!
 - We are able to step out of our day to day and focus more on the things of God.
- We had a little more than **30 in attendance** this year.
- It was 4 days of preaching, teaching and lots of fun.
- Many of the ones that came this year have never been to a camp before.
 - It is not something common here in Colombia.
- Decisions were made:
 - **Salvation 4**
 - **Give your life to serve God 2**
- We thank God for working in the lives of these teens.
- Please help us pray for them as most go back home to face opposition to the Gospel.

KIDS MINISTRY:

- This ministry is crucially important for the church, they are the future of the church!
- It **continues to grow!**
 - When we started with kids they were originally part of the adult service.
 - Eventually they started going downstairs to their space right before preaching time.
 - **Now we have to start kids church from the beginning of the service** because we have so many kids that they **do not fit anymore during the service** upstairs.
- We thank God for this problem.
 - With the need **many people have stepped up to help** with the kids ministry.

FATHER'S DAY:

- First time we had a **full house** during father's day.
- Our goal with each father's day celebrated year after year has been to encourage fathers to live to be the leaders God wants for them to be.
- There are a lot of single mothers here where we live, it is not what God meant for the family. God wants a family like He created it to be and we are working towards this.
- During father's day celebration **we had the boys dress up like the fathers and sang a song showing that they are looking up to them.**
- We also preached a clear Gospel message about our great Heavenly Father.

FELLOWSHIP AND WORLD CUP OUTREACH:

- We hosted our first annual **Volleyball match between both church plants:**
 - It was a great time of fellowship, for many of them it was the first time meeting.
- We are always looking to reach out to the communities in different ways.
- The FIFA soccer world cup is a major event in the world and Colombians love soccer.
- We had many **different types of outreach related to this event** guided towards kids and adults. Many came as an answer to our efforts. We thank God for this!
