

MEET DENISE AKA MAV

YOUR HOST & CREATOR

EVERYONE HAS HAD A MAVERICK MOMENT

MAV's Coffee Clarity is a vibrant podcast hosted by Denise DiGrigoli that celebrates the spirit of innovation and creativity in every individual. Denise believes that within each of us lies a unique spark of potential, waiting to be ignited.

It's engaging conversation, that feels like catching up with an old friend over coffee, where each episode delivers bite-sized nuggets of creativity and business insight, all with a touch of humor. It's our version of "SPILLING THE BEANS"—an open dialogue infused with humor and authentic conversations, where inspiration flows freely, just like Denise's coffee.
