

Good evening! This is <CALLSIGN>, Net Control for the Delta Junction ARES Net. My name is <NAME>.

This is a roll call net, which meets every Thursday evening on the 444.600 repeater at 6 PM Local Alaska Time. The purpose of the net is to establish and maintain a local Amateur Radio Emergency Services net, handle emergency, phone patch, and 3rd party message traffic for the Delta Junction, Alaska area. All stations are requested to remain on frequency until the net has been closed.

If you would like to be added to the Delta Junction ARES NET roster, please contact either KL5CZ, KL2AV or KL5GI. New members will be added on the first of the month and it takes two (2) check-ins a month to remain on the roster. Is there any emergency traffic? Any relays? Any short-term stations that need to be in and out call now please.

*** Roll Call follows:

*** Any missed member, or visiting stations, call now please:

This concludes the Delta Junction ARES net. This is <CALLSIGN> securing the net at <TIME>. We now return the frequency to routine repeater traffic.
