- **Little Lambs class for 5 toddlers (12 to 29 months old):**
Two gentle, nurturing teachers guide just five students through our beginning curriculum. It's the perfect first preschool class!
- **Classes for 2½ to 5 year-olds** develop Kindergarten skills by exploring weekly themes through imaginative crafts, cooperative play—plus specials like Music, Spanish, P.E., Library and Chapel. Small classes allow two teachers to work with each child.

King's Kids has served the community since 1991 – nearly 35 years! Our school year starts the week of Labor Day and ends with Memorial Day, plus camp weeks in June. We offer an early drop-off and afterschool enrichment until 3 PM. We'd love to show you our small, personal preschool!
