THE CHOPPING BLOCK

TCT GUILLOTINE LEAGUE - WEEK 5

SHOUGH AND AWE

Dan Fuller trusts 1.84 points and loses his head

ONE QUARTERBACK SWAP WOLD HAVE SAVED HIM - AND CHOPPED KAT

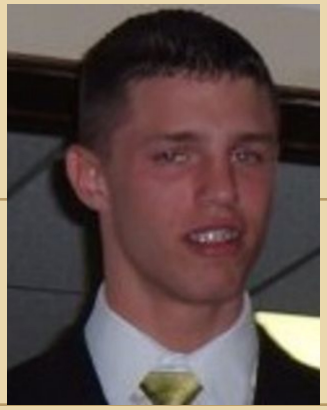

THE FATAL CHOICE

TYLER SHOUGH: 1.84 | KYLER MURRAY: 18.26 | DAN'S FINAL: 62.64

START KYLER. SCORE 79.06. SURVIVE. IT REALLY WAS THAT SIMPLE.

THE BENCH PRESSED THE BUTTON

Dan Fuller did not lose because the entire roster collapsed. He lost because he chose Tyler Shough over Kyler Murray. Shough delivered 1.84 points. Murray scored 18.26 from the bench. That single decision created a 16.42-point wound in a week Dan lost by 9.92.

Fix only the quarterback slot and Dan finishes at 79.06. Kat's 72.56 becomes the league's lowest surviving score, which means the cat's nine lives run out one week earlier.

1.84	18.26	9.92	79.06
SHOUGH - STARTED	MURRAY - BENCHED	SURVIVAL GAP	DAN WITH KYLER

ONE MORE BODY ON THE BENCH

Darius Cooper added 14.1 bench points while Colston Loveland managed 2.9 in Dan's lineup. Swapping Cooper for Loveland also would have been enough: Dan rises to 73.84 and Kat falls through the trapdoor by 1.28.

THE WEEK 5 SCOREBOARD

Dirty D	120.84	Price for the Ho	99.14

Maye I Cee Your Woody?	108.96	KP Squad	91.40
Smoove Bouv	108.94	Phil (maybe)	77.08

Unholy Alliance	102.30	Team danfuller12	62.64

THE CAT JUGGLES THREE TIGHT ENDS

Kat survived another week by turning the FLEX positions into a tight end convention. Tyler Warren carried the operation with 17.9. Brenton Strange supplied 10.3. Michael Mayer contributed 0.7 - roughly the fantasy equivalent of holding the clipboard.

The three-TE lineup scored 28.9 combined and was just barely enough. Dan's quarterback mistake became Kat's safety net. The strategy remains ridiculous, but ridiculous and alive still beats conventional and decapitated.

CLOSE CALLS AND CLEAN ESCAPES

KAT	**PHIL**	**OCEAN CLAMS**	**DIRTY D**

OCEAN CLAMS: UGLY POINTS STILL COUNT

Ocean Clams finished at 92.14 even with DJ Moore scoring zero and Chris Rodriguez adding 1.6. Brock Bowers' 19 and C.J. Stroud's 20.94 kept the clamshell shut. It was not comfortable, but it was safely clear of the blade.

WEEK 6 BLADE WATCH

1. **TEAM KATSKITTY**
   Two straight close calls; volatile three-TE construction.
2. **PHIL (MAYBE)**
   77.08 last week and thin scoring beyond James Cook.
3. **OCEAN CLAMS**
   League-low season points among survivors, but new RB depth helps.
4. **KP SQUAD**
   91.40 was safe, not dominant; little margin for injury trouble.
