THE SEVEN-OH SOCIETY

One candy bar. One sack. Two undefeated teams. And the Septic Tank finally sprang a leak.

THE WEEK 7 LEAD

BABY RUTH and Daks Sack both reached 7-0. Tommy Rego's Backroom team slipped past Soco Dave, 72.00-68.72, while Zack Viera's Black Sheep squad edged Polish-Hammer, 86.00-77.78. The scores were modest; the records are spotless.

Stars & Bars is no longer perfect. Courtney Duarte's Maye I take your hat sir? handed Mike Roy a 109.74-70.08 loss. The result ended the division leader's 6-0 start and changed a historical rivalry from a 1-1 tie to a 2-1 edge for Courtney.

Dear Mr. Fantasy took a 3.96-point loss to Blue Team, but remains tied for first at 5-2 with Bobs 39point team and Touchdown Syndrome!. No one has separated from the pack.

Unholy Alliance supplied the week’s five-tier high score at 141.88, beating Back in the Pitts by 40.64. That is a loud win for a 2-5 team, and a reminder that the standings do not always tell you who had the best Sunday.

LAUREN WINS THE ARGUMENT - AND NICK DOWNEY IS STILL STEAMED

Lauren took down Nick Downey, 98.82-97.20, in the closest five-tier finish of the week. Yahoo had Downey projected at 110.22, but Lauren got the win. Nick was furious about the 1.62-point escape, and the Backroom has not let him forget it.

BABY RUTH had just 72.00 points and still beat Soco Dave. Tommy Rego is 7-0, apparently proving that a newborn can bring luck even when the lineup is running on fumes.

BIG Game James posted 122.08, the Backroom high. That should have been the loudest score in the room, but Lauren's narrow win over Downey stole the conversation.

No Name beat Sleeve of Wizard, 97.08-73.12, and joined the 4-3 cluster chasing BABY RUTH.

WEEK 8 WATCH	YAHOO PROJ.

BIG Game James vs BedBath&Bijan	97.6 - 100.4

TAVERN NOTES

BABY RUTH gets Mike's Legit Team. Their projections are almost even, and Tommy's first challenge as a 7-0 team is to keep the lucky streak boring.

BUSH LEAGUE DIVISION

The Mosquitos sit alone atop the division. GillisTime has reached the hard part of 0-7.

Jalen had a little Lamb added a win over Captain Jahmyrica, and LEGAL EAGLES handled The Dirk Digglers. Four teams have winning records; the race behind Steve’s Mosquitos is crowded.

GillisTime is 0-7 after losing by 3.24 to Kat’s Kittys. Last season’s 6-0-starting Fuel Man finished third; this year Mike’s team is 5-2 and still in the chase.

HISTORY CALLED. COURTNEY ANSWERED.

Mike Roy entered the week with a 1-1 historical record against Courtney Duarte, including a championship meeting. Courtney won again, 109.74-70.08, to take a 2-1 edge and hand Stars & Bars its first loss of the season.

The standings still belong to Mike at 6-1, and his 822.74 points lead the division. But the race is no longer perfect, and Courtney's team is now 4-3 with a result to remember.

Auto Draft is Yo Daddy delivered the widest five-tier win of Week 7, 121.92-48.62 over Soggy Bottom Boys. The low score is ugly, but it is still 12.60 points above the five-tier historical low of 36.02.
