ZOMBIES!! IN PORTLAOISE??!

The year is 2020.

Or maybe it's 2021;
nobody can tell
anymore.

As the world falls into
another lockdown,
Colm, a takeaway
driver and budding
filmmaker, stumbles
upon a house of
zombies on the fringes
of Castlebar.

The undead roommates find themselves at the whims of his perpetual positivity as Colm becomes determined to show them, and the world, the bright side of death.

What unfolds is a darkly comic tale of why we keep rising from our graves over and over again.

THE ZOMBIE MONOLOGUES is a whimsical ensemble horror-comedy, and a feast for the brains and the soul. Written and directed by **Rachel Thornton**, the show was originally performed at The Irish Society Drama Festival 2024, winning six awards, including "Best Original Writing" and "Best Overall Production".

A special thanks to 2025 Young Curator, Ellie Lee Henry and to all at Dunamaisé Arts Centre for this opportunity.

From all the cast and creative team, we hope you enjoy this one night only, LASTA Festival-exclusive resurrection of **THE ZOMBIE MONOLOGUES**!
