

Industrial Mover – Lead Hand

Precision Rigging & Industrial Services Ltd. – Fraser Valley, BC

The Opportunity

Precision Rigging & Industrial Services Ltd. is looking for an experienced Industrial Mover / Rigger Lead Hand to join our growing team.

We provide specialized rigging, industrial moving, jack & slide services, logistics, crane support, and demolition to industrial and commercial clients throughout British Columbia.

Our work is challenging and specialized, requiring experience, planning, teamwork, and problem-solving. This is a hands-on leadership role for someone who can lead by example, make sound decisions, and help develop the people around them.

Key Responsibilities

- Lead and supervise riggers, industrial movers, labourers, and field crews.
- Plan and coordinate rigging, heavy moving, hoisting, jacking, skidding, and equipment placement.
- Review lift plans, drawings, specifications, and job requirements.
- Conduct hazard assessments, toolbox meetings, and safety discussions.
- Work with management, customers, contractors, crane operators, and other trades.
- Identify hazards and develop practical solutions for challenging moves.
- Ensure work meets WorkSafeBC and company safety requirements.
- Inspect and maintain rigging equipment, tools, and company equipment.
- Mentor and train less-experienced team members.

Qualifications

- 5+ years of industrial moving, rigging, mechanical installation, or related experience.
- Previous Foreman, Lead Hand, Supervisor, or Crew Lead experience.
- Strong knowledge of rigging principles and safe lifting practices.
- Mechanical aptitude and strong problem-solving skills.
- Ability to read rigging plans, drawings, and specifications.
- Strong communication and leadership skills.
- Valid Class 5 driver's licence.

Millwright or mechanical trade experience is an asset. Candidates with leadership experience in related industries are encouraged to apply.

Certifications

Rigging training/certification, First Aid, WHMIS, Forklift, and other industrial safety tickets are considered assets.

Missing some tickets? We are committed to training and developing the right people.

What We're Looking For

We want someone who:

- Takes pride in their work and leads by example.
- Is reliable, hardworking, and safety-focused.
- Has strong mechanical aptitude and enjoys solving problems.
- Communicates well and works effectively with others.
- Takes ownership and follows through.
- Wants to learn, develop, and help others grow.

Why Precision?

Precision is a growing company built around safety, teamwork, integrity, and developing people.

We offer:

- Competitive wages based on experience
- Benefits package
- Overtime opportunities
- Training and professional development
- Leadership development opportunities
- A variety of challenging industrial projects
- Opportunities for advancement
