

Entry-Level Rigger/Labourer

Precision Rigging & Industrial Services Ltd. is growing, and we're looking for dependable individuals to join our team.

Who We Are

Based in the Fraser Valley, Precision Rigging & Industrial Services Ltd. is a safety-focused rigging and moving company that takes pride in tackling challenging work the right way. We're a hands-on team that values reliability, teamwork, and developing people from the ground up. To consistently deliver exceptional customer service, we are committed to training and developing our teams. If you're willing to learn, we're willing to teach.

These are entry-level positions. The most important qualities are:

- On time, all the time
- Honest and dependable with a positive attitude
- Team players who works well with others
- Strong work ethic
- Willing to learn

No industrial moving and rigging experience required. **We will train the right candidate.**

What We Offer

- On-the-job training and mentorship
- A strong safety culture
- Opportunities for growth and advancement
- A supportive, experienced crew

Note: A minimum class 5 drivers' licence is required and a basic knowledge in a variety of trades is beneficial.

If you're looking to start a career in industrial moving and rigging and want to work with a company that invests in its people, we'd like to hear from you. Even if this isn't a career you've previously considered, we provide exceptional training and transferable skills that will benefit you wherever your career takes you.
